Newsletter Number 2 - 15 September 2023

Message From Mrs Dance

Dear parents and carers,

I hope that this second newsletter of the autumn term finds you all well.

It has been a great week here at school, with lots of fantastic learning taking place. I have been into classes and observed some amazing art work, writing and maths. This week, I had the joy of presenting the Year 6 children with their ties. During the assembly I talked about how these ties represent our school values of Motivation, Independence, Resilience, Respectful, Openminded and Responsible. The children have been wearing their ties with pride and it has been wonderful to see them role modelling our values so well both in and out of the classroom.

One of the privileges of my job is to congratulate the children on the hard work and resilience that they have put into their learning. This week I have been invited to join classes to share in their successes as well as welcome children into my office so that they can share their work with me. This week's Owlets assemblies demonstrate how fantastic the children are and their motivation to be successful.

Thank you to all of you who have come into school for assemblies and who have spoken to me throughout the week. It is incredibly important that we work together as a team to ensure that the children thrive here at school. I am looking forward to holding more events and opportunities to welcome you into school.

Wishing you all a lovely weekend.

Parking

Parking along Vigo Road can often become congested. Please can we ask, especially now that the better weather is with us that you walk to school whenever possible, or 'Park and Stride' by parking safely a short distance from school and walking the last part of the journey. For example it is free to park for 3 hours at Vigo Town Park Car Park.
