Good afternoon,

Please find attached some information and actions for your attention ahead of our annual Y6 residential trip to Calshot Activity Centre. Attached you will find the information PowerPoint which was shared last term with parents who were able to attend the information evening. If you were unable to attend please refer to the PowerPoint and direct any questions towards your child's class teacher. If your child is not going - please ignore this e-mail

You will also find attached a kit list for your information and to support packing for Calshot. Please not send anything outside the suggested kit list as it may be confiscated from children to comply with health and safety as well as safeguarding policies. A reminder, no phones, cameras, electronics or sweets are permitted in their packed belongings.

Finally and of high importance, you will find the medical questionnaire attached. All children will be bringing home a hard copy for you to complete as soon as possible. Please return completed forms to your child's class teacher. Children who do not have a completed medical questionnaire (regardless if they have no medical needs) will not be able to attend the residential.

If you have any remaining balance on your child's account for Calshot please ensure payments are made at your earliest convenience either on Scopay or cash to the office.

Many thanks,

Kelly Roach
