

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
R	Year R will be taught in lines with the EYFS. They will cover a variety of topics across the Year. The Hampshire Guidance for Habitats, Materials, Animals and Plants will be used as guidance to support learning in the continuous provision alongside child interests. Science links to many areas of the EYFS					
1	Materials Toys 6 sessions	Pushes and Pulls 7 sessions	Seasons 6 sessions	Animal Survival 7 Sessions	Plants 8 sessions	
2	Habitats 7 sessions	Animal Lifecycles 7sessions	Changing materials Building & Clothing 6 Sessions	Magnets	Making new plants 8 sessions	
3	Animals; skeletons and movement		Solids liquids Gases 7 sessions	Light 6 sessions	Rocks & Soils (taught before Mt Vesuvius History) 7 sessions	Plants and Their Food Production
4	Mixtures and separating them 8 sessions	Digestion 7 sessions	Living things 6 Sessions	Making electrical circuits work 6 sessions	Plant Reproduction 7 session	
5	Forces that oppose motion 8 sessions	Fossils and Geological Time and classification 4 Sessions	Making new substances 8 sessions	Space & Gravity 8 sessions	Circulation 7 Sessions	
6	How light behaves 7 Sessions	Classification and Evolution 7 sessions	Sound 8 sessions		Controlling Electrical circuits 8 sessions
