Date: 20th January 2025

Ref: The Living Rainforest Trip

Dear Parents and carers,

We have booked a day trip for our Year 4 children to The Living Rainforest, Hampstead Norreys, near Newbury on Thursday 13th of February. This trip will enhance the children's learning within both our Geography and Science topics.

Visiting the Living Rainforest will enable the children to gain a first-hand experience of what visiting the Amazon Rainforest would be like. We will also be attending an 'Amazing Adaptions' workshop linking to our Science learning around how animals survive in specific environments.

Children will be required to attend school for registration as normal, the coach will depart from the school at 9:00 am and children will be back in school by the end of the day.

Children will be required to wear their school uniform and comfortable shoes for walking around. They will also be required to bring a water bottle and packed lunch in a labelled, disposable bag. Please do not provide them with fizzy drink or glass bottles. If your child would like a school packed lunch option please indicate their choice on the google form link below and confirm any medical information

To cover the costs of the trip, we ask for a contribution of **£15.00 per child**. Payment for this trip will open on Scopay today. We can also accept cash in the office. If you do not have an account – please contact the school office who will assist.

In order for your child to attend this trip you are required to complete the google form link below, select their lunch option and indicate whether you are available to volunteer your time to support the trip (if required). We will require some parent volunteers for the trip. If you can assist us by coming on the trip. We will only need a few across the year group so if you volunteer and are not required on this occasion, we thank you for offering your help. If you are, your class teacher will let you know. Please can you give consent through the Arbor update.
