What would be a good model for parent workshops/ twilights.

A Google Doc form to be sent out to get ideas.

Reps to explore how we can get parents to attend the workshops.
Suggestion was made that curriculum videos to be recorded and videoed to send link out to parents for the website which they would be on. 5min videos.

Links to be added for resources. Reps thought the idea of front cover of book being read in class to be put on class windows was a good idea.

Website needs to be updated for classes.

AOB

Discussion on...	Action...
Tech camp leaflet sent home. These need to be checked as to where they are being held.	This was in Guilford and not helpful and only staff to be able to use it.
Car Park use and disabled access and who is parking there. Blue badge holders parking on double yellow lines along Vigo Road. Policy to be looked at and reviewed.	Possibility to close the carpark to parents and only allow staff to have access.
Can all children have their photos taken and then cover the faces of those children that are not allowed in them.	RD to check with Agile
New lost property policy.	Can this be 2 weeks rather than 1 week before its chucked out.
Pathway between KS2 and KS1 across field.	Quote for this was too much. We just haven't got the money to do it.
Can reading be accessed before parents evening so that up-to-date information can be given.	This to be looked as it was agreed that it makes sense.
Volunteering – can the dates be forecasted so people have time to organized.	Looking at Spring 2 for Ground Force volunteering.
Pathways to be looked at for bushes and access.
