Message From Mrs Dance

Dear Parents and Carers,

Easter has finally arrived!

This week has been another hive of exciting learning opportunities across the school, and I have been delighted to be able to participate in some of them. I had the privilege of joining ten children from EYFS on a multi-sports adventure at Harrow Way secondary school on Tuesday morning and yesterday I spent the day with Year 5 at Hampton court. On both enrichment activities the children exemplified our MIRROR values brilliantly and were fantastic ambassadors for our school.

This week we have hosted both home and away boys and girls football fixtures and welcomed a climate change and volcano science dome into school for Year 3 and 4 to explore linking to their current science and geography curriculums.

My assemblies this week have been on the theme of next week's autism awareness week. In each assembly I shared how we can support everyone to be successful and happy by showing kindness and understanding to everyone.

This term has been a fantastic one. The children's learning has come on in leaps and bounds and I am proud of each and everyone of them for their motivation and hard work.

Thank you to you all for your continued support of the children and team here at Vigo. We all wish you a wonderful Easter and look forward to welcoming you and your children back to school on Monday 15th April 2024.

Start and End of School Day

Please be advised that children are not supervised by the school staff team outside of the school day, therefore your children remain your responsibility until they are welcomed into the school in the morning, and from the moment they leave the classroom at the end of the school day.

The play equipment in the school grounds is for use during the school day only, when the equipment is supervised by the school staffing team. Children are not permitted to use the equipment outside of the school day. Please do not allow your children to play or climb on the equipment at school drop off or collection times.

Children are also not permitted to bring footballs from home to play with on school grounds before or after school.

We appreciate your cooperation with this matter.
