Message From Mrs Dance

Dear Parents and Carers,

Welcome back to the final half term of the academic year. I hope that you enjoyed the half term, albeit with a mixed bag of weather to accompany the week.

This week we have welcomed some new Vigo visitors to our team- ducklings! EYFS are looking after ducklings who started to hatch on Wednesday. Please keep looking at the Facebook page as there will be duckling updates as they grow and develop. Yesterday they enjoyed their first swim in their very own paddling pool!

We have also hosted a number of enrichment activities to compliment the taught curriculum this week. Year 1 have embarked on trip to Marwell Zoo to reinforce their learning in science and Year 2 are visiting SeaCity museum today as historians to further their enquiries about the Titanic. Today, I have taken a group of year 5 and year 6 children to embark on a day of motor sport. It is a fantastic day where they complete activities all lined to the STEM curriculum. To complete the enrichment excitement, a group of children have represented our school in a cricket tournament.

Finally, yesterday was the 80th year commemoration of the D-Day landings. My assemblies this week have shared this significant historical event with the children. It is important that our children know of important events in history to further their historical enquiry and also to learn from it.

On Monday we will be holding our final Parent forum meeting of the academic year. Please do share any questions or ideas to the parent forum reps via the Google Doc form or the year group letterboxes. Next year, we would like to support the parent body with strategies and activities to support your child's maths learning at home. Please share with the Parent Forum reps what would be most beneficial for you to support this important aspect of our children's curriculum.

Wishing you all a lovely weekend.

Lost Uniform

We are getting a lot of requests in school for help locating lost school uniform. Please can all parents and carers take some time to check and name all items of school uniform. If your child has accidentally bought someone else's jumper or cardigan home, please return it to their class teacher.

If you are missing some uniform please ask your child's class teacher to help them to look for it in the first instance. Any items that have not been able to find a home within the area they were found, are then brought to the school office and placed in the box in the visitors toilets

Year 5 Secondary School Taster Days

Many of the secondary school's in the area will be running taster days and open evenings for current year 5 children, as they start to think about their next steps, as year 6 and the end of primary school approaches.

We will place the dates of these events on the diary dates section of the newsletter as we are aware of them, but please contact the schools yourself to get full information, to book your children into any of these events, or to find dates for any schools where we do not have their information yet.

If your year 5 child would like to attend a taster day please contact the secondary school to book them in, and then let us know, by emailing attendance@vigo.hants.sch.uk with the details of the booking so we can mark the registers for that day correctly.

School Car Park

Please can we remind parents and carers that they can only park in the school car park if they hold a blue parking permit, or by specific arrangement with school. Our carpark is overcrowded and parents trying to park on site causes a risk to safety.

Penguin	Ayla M	for being so motivated during 'Discovery Time' this week. Ayla has been playing in role as a vet and taking very good care of the animals. She then put these new skills to good use with the arrival of the ducklings!
	Alfie K	for having a 'can-do' attitude and being so proud of his progress in reading this week.
Seal	Ruby B	for some great work in Maths and showing us her understanding of halves. Well done Ruby!
	Rose H	for fantastic reading this week and using her speech bubbles in her writing. Well done!
Whale	Rex B	for working hard at his reading and writing. He is an excellent role model to his peers and is incredibly helpful and sensible in the classroom. Thank you Rex!
	Leo E	for working very hard at his listening and following instructions to help look after our classroom! Well done Leo!
Iceland	Matej M	for using his phonics to write independently. Well done Matej.
	Oliver T	for his superb effort with his handwriting and his amazing independent Maths skills.
Norway	Alvin G	for working independently in his Thought 3 in Maths using his counters and for sharing his knowledge of how plants grow in Science.
	Braxton N	for raising his hand and sharing his ideas with the whole class.
Portugal	Joseph H	for being an excellent representative of Vigo on our trip to the zoo
	Delilah M	for representing Vigo beautifully on our trip to Marwell Zoo.
Fiji	Rex D	for your attitude inside the classroom towards your learning and for completing a wonderful piece of homework. We are so proud of you!
	Emelia C	for an incredible piece of homework that showed off your creative skills. We are so impressed with your attitude to learning this year. Keep it up!
New Zealand	Lena K	for creating a fantastic model of her own civilisation during the half term! You inspired others too!
	Freddie R	for taking responsibility for his learning by setting himself targets to achieve by the end of year 3!
Georgia	Ava T	for completing her Multiplication Check with pride and motivation!
	George H	for showing resilience and motivation completing his Multiplication Check this week. Well done, George!
Japan	Frederick H	for sharing with the class your views about D-Day. You were very knowledgeable on the subject and it shows how openminded you are about different topics.
	Ronnie S	for amazing resilience and motivation shown towards your multiplication tables check. We are all very proud of you.
